THIRTY-FIRST ANNUAL REPORT

OF THE

Board of Missions for Freedmen,

Of the Presbyterian Church in the United States of America.

TO THE

GENERAL ASSEMBLY OF THE PRESBYTERIAN CHURCH.

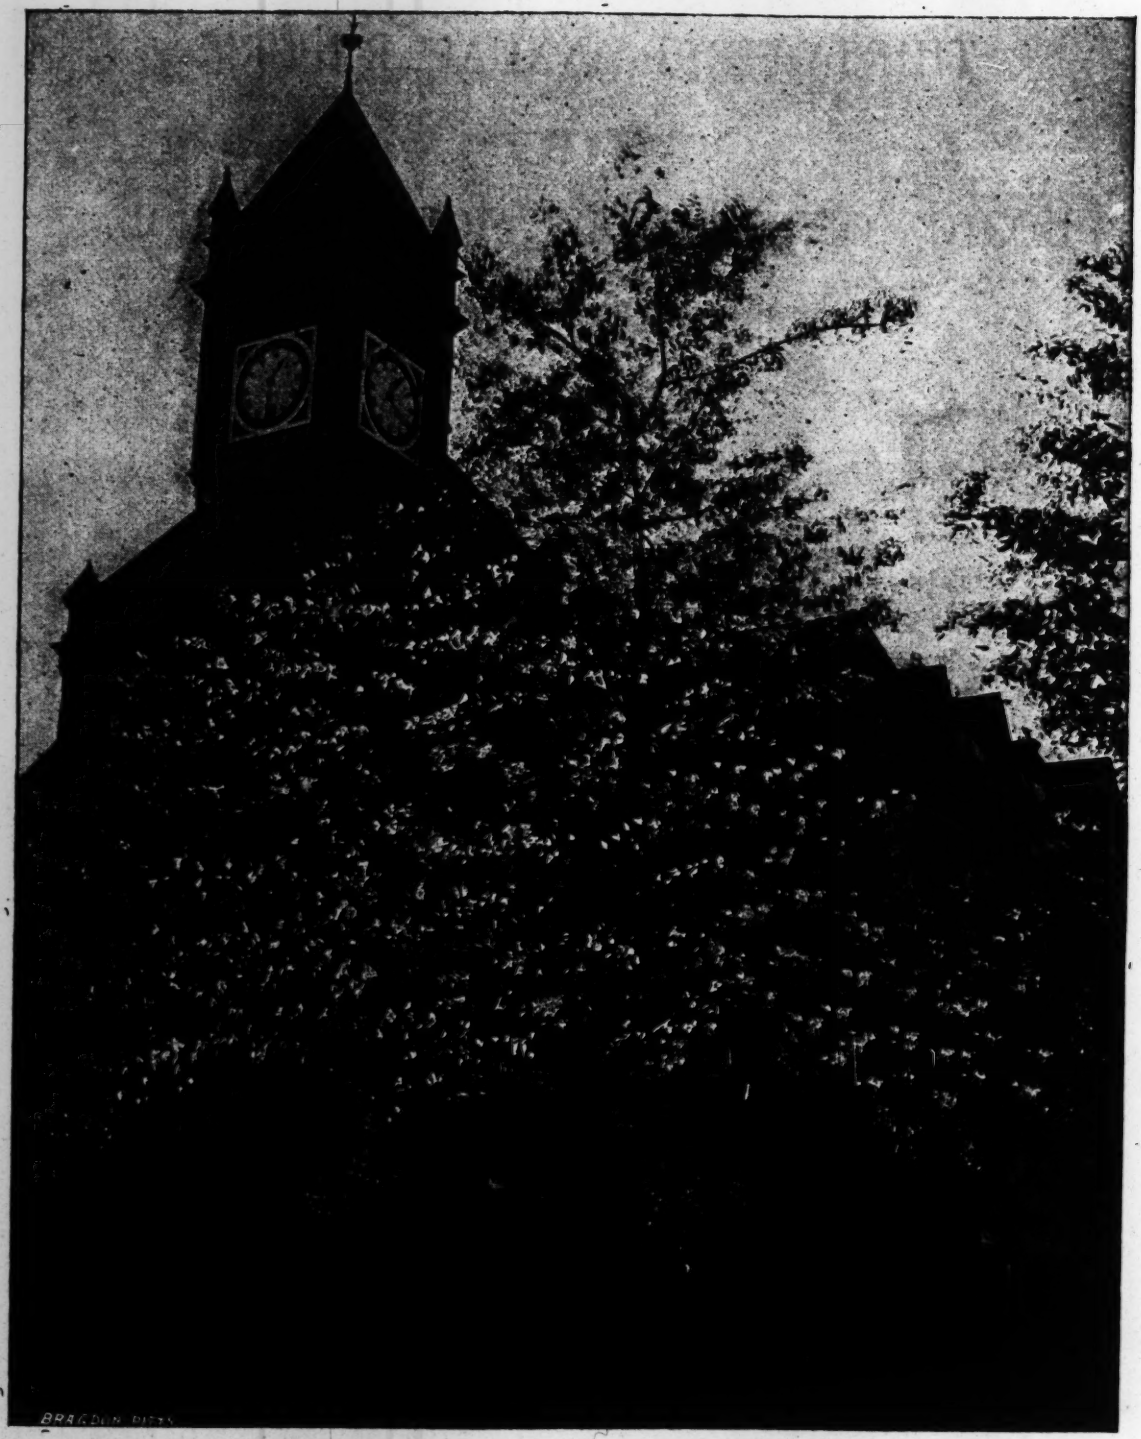
From March 31st, 1895, to April 1st, 1896.

THE BOARD OF MISSIONS FOR FREEDMEN respectfully presents to the GENERAL ASSEMBLY its THIRTY-FIRST ANNUAL REPORT.

The work of the Freedmen's Board according to the terms of its charter takes a wider range than that of any of our Boards, except the Board of Foreign Missions.

Our only restriction in connection with all the various demands of Missionary work is that we confine ourselves to the needs of the Freedmen. We can build school houses, academies and colleges; work shops, churches and manses. We can buy farms, maintain boarding schools and parochial schools; plant Sunday schools, educate young men for the ministry, send out evangelists, aid pastors and stated supplies, and do whatever else we may deem necessary for the true advancement and uplifting of the race.

Our work however divides itself naturally into what we call our church work and our school work. It is both evangelistic and educational. The division however is not distinct. The two kinds of work are inter-dependent. Under existing conditions they are each essential to the other. They both seem necessary in order to make the good influence we are trying to exert effective and permanent.



BIDDLE UNIVERSITY, CHARLOTTE, N. C. MAIN BUILDING.

It is difficult however to know at times what proportion of our funds to devote respectively to these two main divisions of our constantly growing work. Our church work must be built on intelligence, and the intellectual training we give must be sanctified by the blessed influence, the restraining and consecrating power of the Church of the Living God—the pillar and ground of truth.

Last year your Standing Committee joined with us in deploring the necessity we were under of cutting down the salaries of our teachers on an average of ten per cent., and concurred in the opinion that this reduction ought not to continue one moment longer than will be necessary. This committee also suggested that while the school work should not be allowed to abate in interest, special attention should be given to the evangelistic work.

We regret to say that in forecasting the needs of the work, and in facing the fact at the beginning of the year, that we would inevitably have at our command less money than the year before, we felt that the necessity was laid upon us of not only continuing the reduction in teachers' salaries, but also of bringing about a further decrease in our expenditures, wherever it was possible to do this with the least harm to the best interests of our work.

We have succeeded in a measure in carrying out the committee's suggestion as regards the evangelistic feature of the work, but have not found it possible to do this without abating somewhat the aid we have previously given for educational purposes.

It seems less hard to say no to a teacher applying for a school, than to stand between a minister of God and the little cluster of God's people, hungry for the gospel, and pleading for his services. Acting on this principle, and for the sake of economy, we maintained eleven less schools last year. We have shortened the term of twelve boarding schools from eight to seven months, and have reduced the number of teachers by twenty-seven. This together with a stricter enforcement of the rule to take no scholars in our boarding schools, except those provided with scholarships, and those that are able to pay for themselves, has reduced the number of pupils under our care by over one thousand.

As to the churches and missions, eleven more have been aided in part by us this year, requiring the services of six more ministers than we had on our roll last year. For this feeble advance in church work, in the face of our financial straits, we can hardly be blamed, when the overwhelming needs of this field are considered. The additional workers were all young men out of Presbyterian schools.

There are now twenty men just about to enter the ministry who will this coming year look to us through their Presbyteries, for appointments. All but one of these will graduate this spring from various institutions, after an average of ten years of study, all of which from the very beginning has been preparatory to the preaching of the gospel. Most of these are good men; some of them exceptionally so. They should not be lost to the Presbyterian ministry.

For two years or more our general rule has been to refuse new work. Meanwhile, through our own schools, and others of like purpose, the number of young men of promise consecrating themselves to the sacred work of the ministry goes on steadily increasing. There is need of them all. The harvest is ripe—the reapers in answer to our prayers and through our efforts are raised up and are ready to go forth. We can only pray that the Lord of the harvest may open up a way by which they may be sent.

The work of the church, which, while we have not pushed it forward along the line of a vigorous advance, we have guarded against the discouragement of actual retreat, has evinced a growth that seems to place the stamp of divine approval on the fostering policy we have pursued, cautious and moderate though it has been.

During this last year over two thousand new members were added to the churches under our care, on confession of their faith in Christ. This is six hundred more than were so received last year.

The following extract from a letter of one of our ministers in speaking of his own Presbytery applies equally to them all: "The reports of our churches show temporal and spiritual growth.

More money has been contributed to the Boards of the church, and more members have been added to the churches than in any previous year. Our work is indeed in a healthy and growing condition. With proper support and encouragement we shall be enabled to do a work which will reflect credit upon the Presbyterian church."

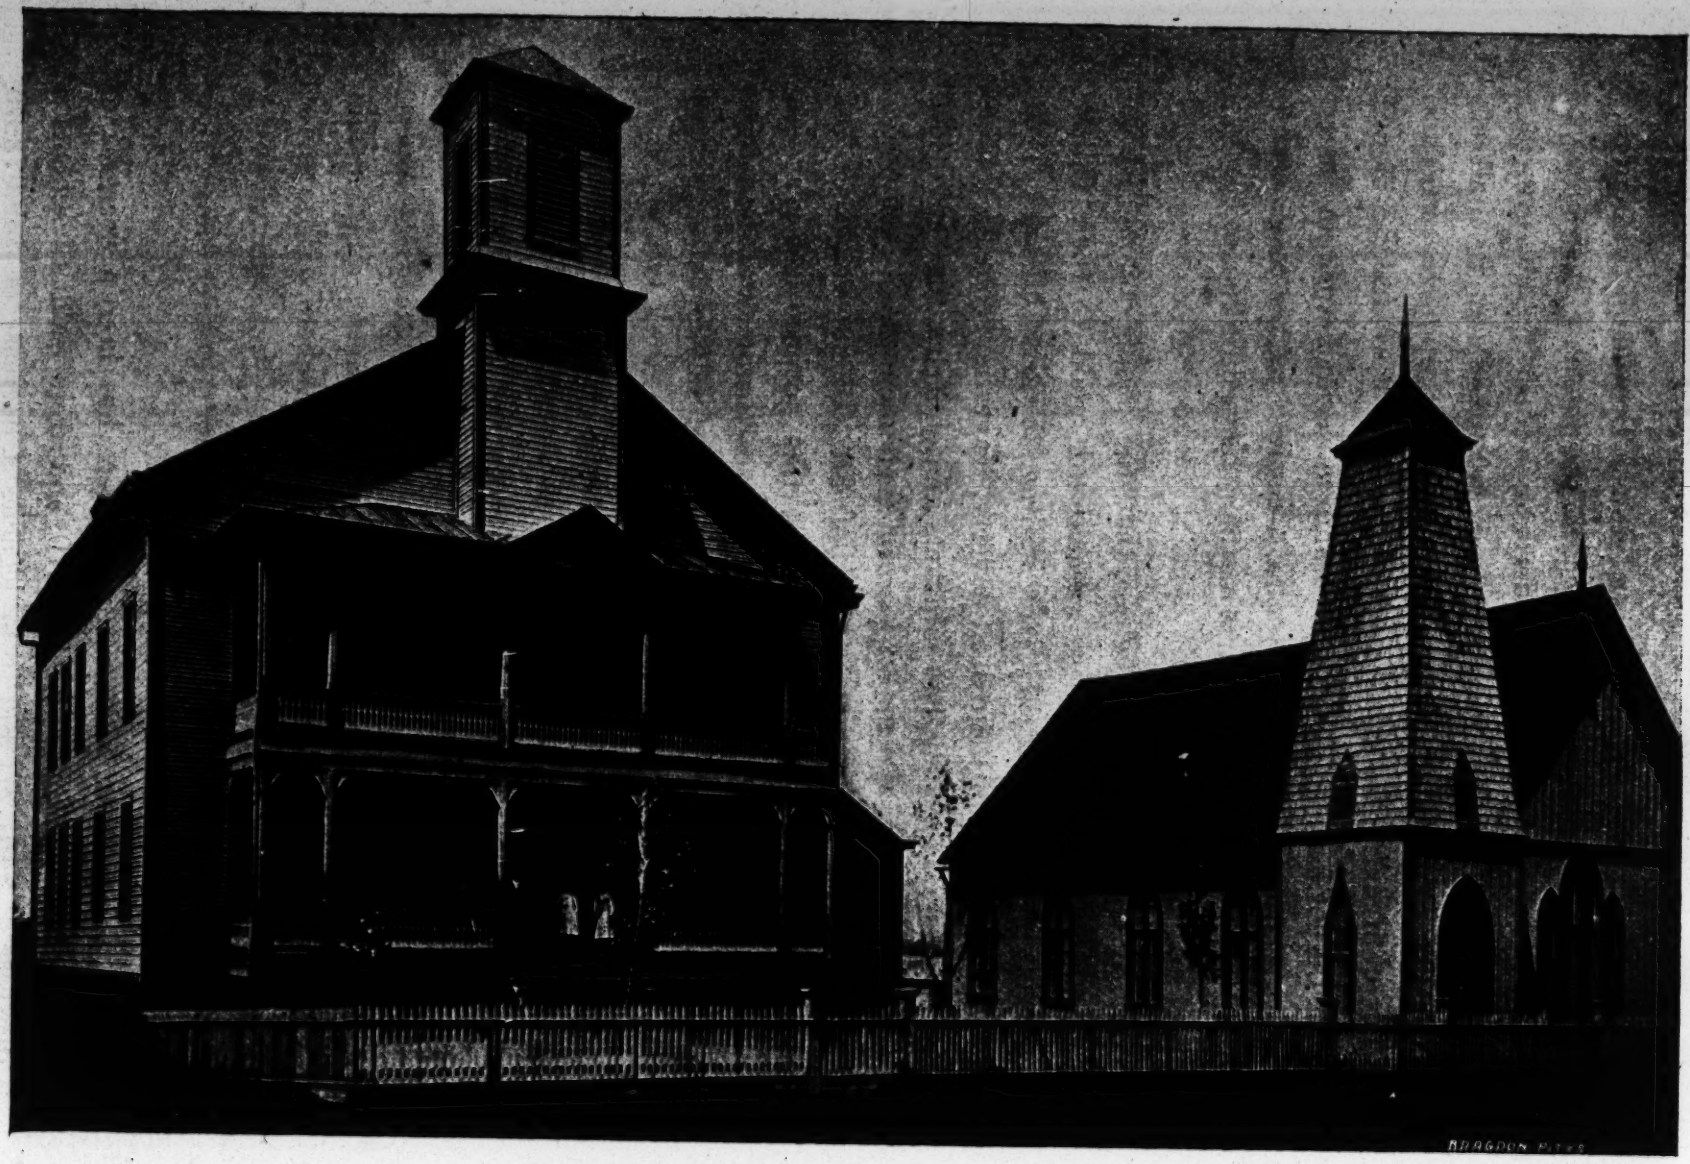
We do not propose however to cramp our school work any more than we are compelled to by the necessities of the case. Both church and school are necessary in their blessed influence on the individual and on the family.

We have every reason to believe that the people among whom we labor appreciate both these agencies for good to their fullest extent. The amount they are willing to give of their own substance and out of their deep poverty, leaves no room for doubt. To the support of their own ministers and churches they gave last year, $35,577.34. To the support of their own schools, they gave $32,521.94—making a sum total of $68,099.28, an excess of $4,713.99 over the amount raised for this purpose last year—as was last year $4,477.32 in excess of the year before, and showing a steady and healthful growth in the matter of self-denial as well as that of self-reliance.

In addition to the amount given by these people for self-support on the field—none of which goes into the Board's treasury or enters into our accounts, they sent to the Freedmen's Board for its work $644.37, and to the other Boards of the church, $1,656.20. Adding these items to the amount given among themselves for self-support, the total amount given this last year by them for religious and educational purposes, at home and away from home, rises to the generous and significant sum of $70,399.85.

The following statement furnished by the Treasurer shows how our accounts stand as compared with last year:

"In comparison with last year there has been a decrease of receipts from churches of $4,236.70, and from Sabbath schools a decrease of $467.27, and from legacies a decrease of $39,973.31. There has been an increase of receipts through the Woman's Execu-



HOLBROOK STREET HIGH SCHOOL, DANVILLE, VA.

tive Committee of $3,227.12, and from miscellaneous sources an increase of $4,975.08. The total decrease in receipts this year as compared with last is $36,475.78. To meet this deficit and if possible to get through the year without debt, the expenses on the field were cut down $18,386.04 below the previous year. Had we received from the Million Dollar Fund the full amount of the last year's debt, we would have closed the year without any interest bearing debt."

The decrease in our expenditures this year on the field was $18,386.04, the decrease in expenditures the previous year was $26,576.70; so that in the last two years we have narrowed up our annual expenditures to the extent of $44,962.74.

The debt of last year as shown in the Treasurer's statement was $22,351.56. This included interest-bearing notes to the amount of $10,500 together with money we had received from insurance, less cash on hand. Of this $22,351 the Assembly Reunion Fund Committee has paid $12,599, leaving still to be paid $9,752 which the committee express the hope of doing before the adjournment of this year's General Assembly.

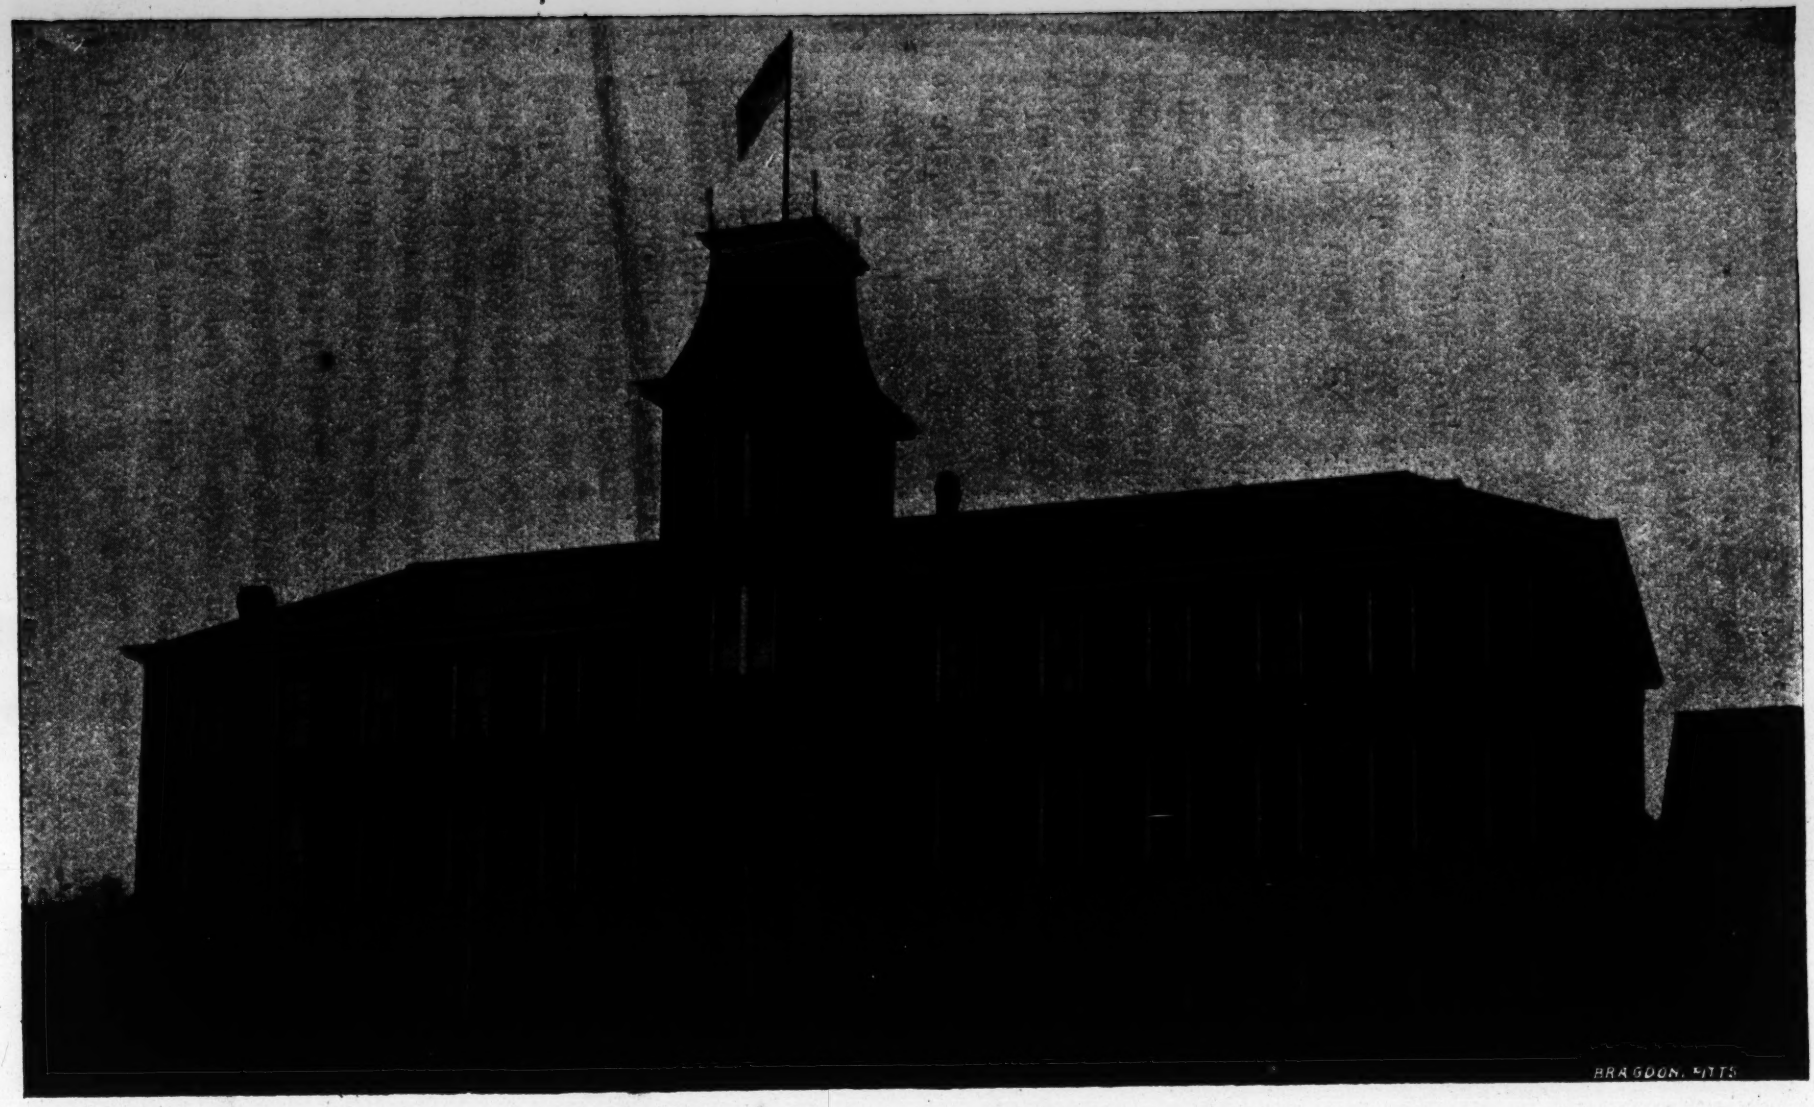
There have been certain other credits to special funds which we have carried on our books from year to year which we have not been accustomed to include in our statement of debt, but which as they are called for in our work must be met from time to time out of the funds at our command. In 1894 these credits amounted to $21,300.97; in 1895 they amounted to $12,232.55; in 1896 $23,638.80.

Our present debt, on the basis of last year's statement is $26,123.63; this includes the $9,752 of last year's deficit, likely to be met by the Reunion Memorial Fund Committee. The deficit for the present year would then be $16,371, of which $9,925 only is interest bearing. If we add to the $26,123.63 the various amounts credited on our books this year to special funds, the total amount of our liabilities would be $49,761.43—of which $9,925 only is interest bearing, as against $37,391.42 of a year ago on the same basis, of which $10,500 was interest bearing.

There were in December last funds raised for the rebuilding of Mary Holmes Seminary, which was burned at Jackson, Miss., a year ago, which together with the insurance money already paid in, were sufficient at least to have justified the Board in commencing the work. The great reduction in our income, through the decrease in legacies of nearly $40,000, as compared with last year, which we foresaw from the beginning must be met, and the need we had for all that we could command to maintain the living workers on the field, whom we had pledged to support, led us to defer this enterprise for the time, and so throw the burden of its expense into the work of the coming year. By utilizing this fund and other funds not needed for immediate use, we have been able to reduce our item of discount expense in bank $1,247.14, as compared with last year. The deferred work, however, will be begun this year, and we trust will be pushed to completion without unnecessary delay. The contract has been awarded and the new buildings will be erected at West Point, Miss., instead of Jackson, during the coming summer and fall.

At Anniston, Ala., a commodious building is being erected for a girls' boarding school by Mrs. Phineas M. Barber, of Philadelphia, who proposes to turn over to the Board a completed plant for the maintenance of a first class boarding school, capable of holding 150 girls. The Board accepts the responsibility of the management of the school on the condition that it is to have the entire control, just as with its other large schools. The gift to the cause is a munificent one, and worthy of the widow of the generous founder of the "Barber Fund," now held in trust by the trustees of the General Assembly for the benefit of the colored race.

Attention is called to the report of Mrs. C. E. Coulter, General Secretary of the Freedmen's department of the Woman's Executive Committee of Home Missions, which is printed as usual in the appendix. The deep interest taken by the women of the church in the cause of colored evangelization is manifest in the increased amount given by them from year to year. The relation



SWIFT MEMORIAL INSTITUTE, ROGERSVILLE, TENN.

between our Board and the Woman's Executive Committee in New York is most cordial, and we have without doubt their fullest sympathy and co-operation in our efforts to secure our proportionate share of the benefactions of the women of the church.

Miss Mary E. Holmes, Ph. D., of Rockford, Ill., so long interested in our work, and so well known throughout the church in missionary circles, has accepted an appointment from the Board as "Freedmen's Secretary for the Northwest." Her headquarters will be in Rockford, and she will serve without compensation, gladly giving up her time and energy in the way of stimulating interest and scattering information among the Young People's Societies, Sabbath Schools and Woman's Societies of the Synods of Indiana, Michigan, Illinois, Iowa, Minnesota, Nebraska, North Dakota, South Dakota, Missouri and Kansas. The sphere of action opened up to Miss Holmes, in a more formal way, by this appointment is only an enlargement of the work which she has borne on her heart for years, and carried on, before as now, only as a labor of love. The blessing of the Lord must surely attend such willing service.

Rev. H. N. Payne, D. D., our Field Secretary, with his residence at Atlanta, Ga., states in his eleventh annual report to our Board, that in the prosecution of his work as our agent and representative, during the last year he has traveled 14,230 miles, has preached 67 sermons, delivered 84 addresses and inspected 47 schools.

Of the Atlanta Exposition, Dr. Payne writes: "No single event in the past year awakened more general interest than this exposition, lasting from September 10 to December 30, 1895. No single feature of the exposition attracted so much attention and was so widely commented on as the Negro Building and its contents. Tens of thousands of intelligent people from all parts of our own land and from other lands passed through this building, studying with curious interest the illustrations it gave of the progress of this race under thirty years of freedom. The expression of pleased surprise was almost universal. The comfort and

encouragement it gave to the friends of the race, as well as to the race itself, was very great.

"Very early in the year I drew the attention of the Board to the extreme desirability of making a worthy and impressive exhibit of the work. The Board decided to have only a photographic display and I was asked to prepare it. This I did. Some eighty-five pictures, in thirty-seven frames, were tastefully arranged in the space secured. A leaflet and card were prepared for free distribution, together with literature sent me from the general office. Hundreds of people came to our booth, examined the pictures and carried away literature. Interest in our work was thus awakened or deepened and much good accomplished. I believe the Board has been and will be well repaid for its expenditure in this matter."

New church buildings have been erected at Durham, Aberdeen and Charlotte, N. C., Chesterfield, S. C., Medway, Ga. Madison, Ga., and Mt. Airy, N. C., have removed their humble churches to more favorable locations and rebuilt them. The church at Greensboro, N. C., has improved its edifice at a cost of $700. The church at Birmingham, Ala. has secured a building suitable for both church and school, through special donations of individual friends. Rock Hills and Columbia, S. C., Atlanta, Ga., Petersburg, Va., and Hot Springs, Ark., are very desirous of building during the next year.

Action of the General Assembly

AT

SARATOGA SPRINGS, N. Y.

May 25th, 1896.

Rev. V. D. Reed, D. D., Chairman of the Standing Committee on Freedmen, submitted the report on the work of the Board of Missions for Freedmen with the following recommendations, which were unanimously adopted:

Resolved, 1. That the Minutes of the Board which have been submitted and carefully examined, be approved.

Resolved, 2. That the Assembly deplores the necessity for retrenchment, yet commends the Board of Missions for Freedmen for its prudence and wisdom in managing the finances of the Board, so as to keep as nearly as possible its expenses within its income.

Resolved, 3. That Presbyteries be urged to give special attention to this important Board, and adopt such measures as may augment its resources and increase its efficiency.

Resolved, 4. That the pastors and stated supplies are urged to instruct their congregations in regard to this work, and secure, if possible, from each church a liberal contribution to the funds of the Board.

And in view of the lamentable results of the enforced retrenchment in the work of the Board, the Assembly recommends that individual members and churches confine their contributions in behalf of Freedmen to the churches, schools, and institutions of learning connected with the Presbyterian Church.

Resolved, 5. The Assembly commends to the generosity of our Church members the liberal endowment of higher institutions of learning for Freedmen, especially "Biddle University," at Charlotte. N. C., an institution having thirteen buildings worth $125,000. with thirteen professors and 260 students, a plant too large and expensive in the great work it is doing to depend entirely on its share of the ordinary collections from the Churches that come annually to the Board.

Resolved, 6. That the following gentlemen:—Messrs. J. C. McCombs, J. McF. Carpenter, Robert S. Davis, and Rev. Samuel J. Fisher, D. D., and Rev. J. P. E. Kumler, D. D., whose term of service expires with this Assembly be re-elected.

Respectfully submitted,

V. D. REED, *Chairman.*

Twelfth Annual Report of the Freedmen's Department

—OF THE—

WOMAN'S EXECUTIVE COMMITTEE OF HOME MISSIONS.

In presenting the Twelfth Annual Report of the Freedmen's Department of the Woman's Executive Committee of Home Missions, we would gratefully acknowledge the same guiding hand that has directed all our ways.

This Department has, throughout the year, given its earnest, prayerful effort to help the Board in its financial embarrassment, by securing teachers' salaries and scholarships, and by aiding in buildings already authorized, thus setting funds free for regular evangelistic work. Our efforts in these directions have been blessed. Of the money received from the Woman's Executive Committee during the year, $7,299.37 has been paid to the Treasurer of the Board for salaries. For scholarships, $12,458.47. For buildings, $10,283.89. For general work of schools, $1,974.51 and there has been given to the General Fund of the Board, $11,298.63. We have received from the Treasurer of the Woman's Executive Committee, $43,314.87, which is $3,233.24 more than last year. The Treasurer of the Board has received direct from Woman's Societies, $357.28, which makes the total offering of the women of the church to this part of the work, $43,672.15. The

interest in our societies is growing, 175 more having contributed this year than last. The whole number being 1,618, last year it was 1,443.

Much aid has also been given in clothing, more boxes have been reported than any previous year. The value, as received at our office, is $17,382.57. Of this, Pennsylvania gave more than half. Thirteen Synods took part in this work. Values were not given to all the boxes reported and we have reasons to believe that many were sent, especially from the Western Synods, that were not reported at all.

The agencies employed were the same as last year. We have had the benefit of Mrs. Swift's services in visiting Synodical, Presbyterial and Local Societies, during the greater part of the year. We feel the advance made is due largely to these visits and to our efficient Synodical and Presbyterial Secretaries for Freedmen and to the hearty sympathy and co-operation of the Woman's Executive Committee of Home Missions.

While profoundly grateful for what we have been permitted to do, our greatest cause for thankfulness, is the blessing that has rested upon our work. The visible results are such as to fill our hearts with joy. In Biddle University, 23 young men have, this year, professed their faith in Christ; four-fifths of the students are Christians. At Scotia, there have been 40 conversions during the year; only 23 of a school of 290 pupils are out of the fold, 201 are Presbyterians. There were 23 conversions in Mary Allen Seminary. The pupils at Ingleside come largely from our parochial schools. When the term opened it was found there were only seven who were not professed Christians; these have since come out on the Lord's side, and we have a school of 100 scholars, *all* of whom are professing Christians. There were 31 conversions at Harbison Institute this school year, all but 19 who are over ten years of age, are professed followers of Christ. Brainerd reports much religious interest, and although but two made open profession; many already professing Christians were quickened into new life; the teachers feel there has been constant growth in the religious life of the

students. In Swift Memorial, two-thirds of the scholars are Christians, five were added to the church from the boarding department. Richard Allen Institute reports a spiritual awakening and a number of conversions, eight united with our Church. During the Week of Prayer, a very earnest and active religious spirit was exhibited in Immanuel School and seven united with our Church; one-half of the pupils over ten years of age are Christians. Ferguson Academy had two weeks of Special Service and eight students confessed Christ; seventy five per cent. of the boarding scholars are Christians. In Mary Potter School, they have had much religious interest; 11 conversions, one-half the school are professing Christians. In Haines Normal and Industrial School, there has been much religious interest and more than 50 have professed conversion; from our school at Oak Hill, 15 have united with our Church. Cotton Plant reports marked religious interest, have had during the year 10 conversions; of the whole number of pupils, 204, about 65 per cent. are Christians, only three in the higher classes are not Christians.

The same good work is going on in the Parochial Schools. At the Good Will School, S. C., 40 scholars were added to the Church during the year. At Blacksburg, S. C., 27 pupils professed conversion; the school numbers 127, of these, 63 are Church members. At Manning, S. C., with a total enrollment of 143—72 are Church members—seven scholars united with our Church the present term. Time will not permit the mention of others. These and similar schools, established by other denominations, show the value of the work along this line and the Lord's willingness to bless.

While we joyfully recount the rich blessings received, our hearts are filled with sadness when we look upon the unreached masses. There is so much ignorance and so little morality, that we would be discouraged did we not realize that it is the Lord's work. To reach these millions, we feel the need of more Parochial Schools. Schools that leave out religious training are of very doubtful benefit. Where there are intelligent christian homes, the case *may* be different. But, at this critical time in the history of the Negro,

he stands in special need of a Christian education. Comparatively few can ever attend our higher institutions, and even if they could, this training should be begun before they are old enough to enter. Then, too, the local influence of these schools is great. One of our best colored teachers writes: "I used to think our only hope was in the young, but find the adults appreciate our work equally as much and are joining the Church too." The Duke of Wellington very tersely said: "Educate men without religion and you make them but clever devils." Bishop Sessums, of Louisiana, says: "An education which leaves out the Divine is not complete; it is an injustice to our human nature. It is a very poor religion, on the other hand, which undertakes to leave out education." Our Institutions are training just such teachers as are needed for this work. The money that would keep two or three pupils in the lower classes of our higher institutions, would give a Christian teacher to a school of from 50 to 100 scholars. These would act as feeders to our boarding schools and fill them with their most promising scholars.

We are glad to say that the contract for re-building Mary Holmes Seminary, at West Point, Mississippi, has been given out and we will have to call upon the Societies that formerly supported teachers, to renew their pledges. The Barber Memorial School, at Anniston, Alabama, a gift to the Board from Mrs. Phinaes Barber, will open about the same time. This will be new work and all salaries will have to be provided. We would be glad to have every teacher's salary, in both of these schools, secured before they open.

With the hope of increasing the efficiency of our work, the Synods embraced by the Board of the North-West, together with Missouri and Kansas, have been united and Miss Mary E. Holmes, Ph. D. of Rockford, Ill. has been appointed to superintend the work, with the title of Freedmen's Secretary of the North-West.

We cannot close this report without expressing our deep sense of loss in the death of Miss Hannah K. Dain, at Scotia Seminary. The Lord called her from a useful life here to a higher service,

February 5th, 1896. While we sympathize with her relatives and Scotia, in this great bereavement, we bow to His will and give thanks for the beautiful Christian character which made her so useful and gave her such influence over the girls under her care. The work has suffered a great loss in the death of Rev. T. A. Grove, so long the principal of Wallingford Academy, Charleston, S. C., as well as pastor of two churches. He was brought near to us by the fact that one of his daughters, who taught in the school, was supported by one of our Societies. The widow and daughters will certainly receive the sympathy and be remembered in the prayers of the Society.

The books for the past year are closed and as we look toward the untried future, we can only resolve to "do to-days' duty, fight to-days' temptation" and leave the future to Him, who can see the end from the beginning.

Respectfully submitted,

MRS. C. E. COULTER, Gen'l Sec'y.

PITTSBURGH, May, 1896.
